Well Decommissioning Form

The Lower Big Blue NRD will provide landowners cost-share money for material used in the proper decommissioning of water wells. The District will provide assistance in the amount of 60% of the actual cost to plug a well, up to a maximum of \$500.00. Guidelines outlined below must be followed to receive payment:

1. Well must be decommissioned by licensed water well contractor or pump installation contractor (list available at NRD office or online at www.lbbnrd.org).
2. Cost of decommissioning does not include cost of pump or tower removal.
3. Decommissioning must be in accordance with all applicable laws and regulations.
4. Original receipts showing work done and materials used must accompany this form.
5. W-9 and Attestation forms must be on file at NRD or submitted with this form.
6. Submit the "Notice Of Water Well Decommissioning" form to the DNR and attach a copy to submit with this form.
